

Mission: It is the mission of The Toledo Clinic to promote healthcare and provide integrated, high quality, primary and specialty care to Toledo and our surrounding communities.

Vision: It is the vision of The Toledo Clinic to be the leader in providing the best possible clinical quality, patient access, and financial value to our patients.

Values: The physicians, providers, and employees of The Toledo Clinic are committed to meeting the needs of their patients in a respectful and compassionate manner. Our core value is to deliver optimal care through a collaborative group practice.
